W/b 30.11.20 - Gospel Value – Advent - Hope

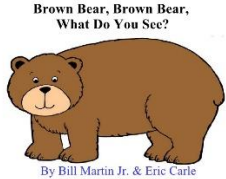

RE–Morning/Afternoon Prayer

‘Good morning Lord, we praise your holy name and thank you for giving us, this lovely new day’.

Communication and language - Introduce the Nursery rhyme of the week called:

[Ten in a bed](#)

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Understanding the world - Advent – This is the first week of advent, show your child pictures on the internet of wreaths. Talk about the candles and what the words are on them.</p> 	<p>Communication and language – Listen or read the story <u>‘Brown bear’</u></p> 	<p>PE/Physical Development – Click on the link and do the following <u>yoga session</u> with your child</p> 	<p>Personal, social and emotional development- Turn taking activity, play a game with your child that encourages turn taking. More people from your house can join in and play along. Praise your child for waiting. Point out whose turn it is e.g. Mummy’s turn etc...</p>	<p>Communication and language – Making snack – allow your child to help make lunch/snack with you. Give them clear and simple instructions, just make them feel that they are helping you.</p>
Monday	Tuesday	Wednesday	Thursday	Friday
<p>Making an advent wreath – Using green paints, allow your child to paint their hands and then press them onto paper. Once they have dried, cut them out and place them in a circle to make a wreath. You can draw around hands and use colouring pencils, if you have no paints. Then draw a candle and allow you child to colour in the candle purple. Once they have done this, write Hope on the candle and add it to the wreath.</p>	<p>Maths – Using a variety of small objects (it can be anything) encourage your child to count up to 5 and beyond. You will need to support younger children by demonstrating what you want them to do. Placing the items in a line usually helps.</p>	<p>Messy play – Set some jelly in a bowl and encourage your child to discover. You can set small toys in there too. Play with your child and use describing words e.g. Cold, sticky, squashy etc...</p>	<p>Physical development - Draw a simple bear or print one off, encourage your child to colour it in. Once they have finished, you can cut it out or if they have child friendly scissors, they can have a go at cutting it out themselves.</p>	<p>Personal, social and emotional development- Teddy bears picnic, allow your child to get a few teddies or dolls and sit them around together to have lunch/snack together.</p>

Activities highlighted in green. Photograph can be taken and submitted to teacher.
