## Maths Ambassadors 2021-2022

PIC•COLLAGE

### *Introducing our numeracy superstars!*

Y1 Esmail & Christopher - "I love playing Maths games and reading maths stories."

Y2 Joshua & Simi - "There are so many creative activities to do in maths."

Y3 Kageyasu & Freya - "I love solving tricky problems and finding the solution."

Y4 Coleen & Leo - "You can use real life maths – like baking and cooking."

Y5 Alisha & Jamie - "Maths is everywhere! You use it every day without noticing."

Y6 Mohammed & Amira - "Once you know the formula you can find the answer."

## Liverpool Maths Party 2021 Friday 24<sup>th</sup> September

To celebrate 'Liverpool Maths Party' the maths ambassadors invited all classes from F2 – Y6 to participate in maths activities outdoors. We had so much fun exploring maths in creative ways.

Year 5 had a fantastic morning, using our origami skills to create times table fortune tellers as well as creating our own times table themed games. Well done Year 5!

### Maths Jokes

**Why was the angle so adorable?** *Because it was acute.*

**What did the triangle say to the circle?** *"You're pointless!"*

### The Numeracy Ninjas Top Tips

- Always be positive about Maths. Maths is fun!
- Keep trying your best and stay confident.
- Look for Maths in everyday life. For example, when you go to the shops help your family find the total of your shopping.
