Collective Worship Guidelines

God is present and active in all authentic human experience. We already have a graced life and worship is naming and celebrating this reality in the Christian tradition. God is reached through the world and adored within it. Creating a sacred space for worship is to create a space where the unity of God and creation is reverently symbolised and celebrated. Worship and the words and rituals we use should not sever us from the ordinary circumstances of our lives but rather unite us more closely to them.

Worship remembers and celebrates the marvellous things God works in our lives. It celebrates God's presence in our lives. Worship should not feel like an interruption from a different world. It is a spontaneous response to life.

Collective Worship is concerned with giving glory, honour, praise and thanks to God. It is our loving response, in word and action, to God's invitation to enter into relationship made possible through the work of Jesus Christ and the witness of the Holy Spirit.

Worship will be at the very heart of every Catholic school and must reflect something special or separate from ordinary school activities.

Prayer may be an individual experience, or if it is an activity with others may form part of an act of worship.

All liturgies involve the praise, thanksgiving and adoration of God and are, therefore, acts of worship. However, not all worship will be liturgy as it may or may not include symbol and action. An assembly is any experience of gathering/assembling in school. It may include an act of worship but the difference between worship and assembly must always be clear.

God is present and active in all authentic human experience. Worship is naming and celebrating this reality in the Christian tradition. Creating a shared space for worship is to create a space where the unity of God and creation is reverently symbolised and celebrated.

Worship remembers and celebrates the marvellous ways that God works in our lives. It celebrates god's presence in our lives. It is a spontaneous response to life.

The worship which takes place in school is Collective Worship.

Liturgy

The liturgy is the summit towards which the activity of the Church is directed; it is also the fount from which all her power flows

[This is the Liturgy 10]

“Liturgy” literally means, “work of the people”, and points to the fact that something else is going on beyond prayer. It is the formalising of worship at the heart of which is symbol and action. Liturgy makes explicit the celebration deriving from and highlighting every instance of worship, which occurs in our daily lives. To liturgical celebration therefore should be brought all human symbols of expression - art, dance, poetry, music, gesture, stillness

The ‘Liturgy of the Word with Children. Guidelines’ [1996 The Bishop’s Conference of England and Wales] lists the General Principles of Liturgy:

- Liturgy is the praise and worship of God.
- Liturgy is the source and summit of the Church’s life and our lives.
- It is the right and duty of all baptised, both children and adults.
- The function of the liturgy is to build up members of Christ’s body, to strengthen us in preaching Christ.
- Liturgy is action and symbol; it speaks to the whole person, it involves all the senses: sight, touch, sound, taste and smell.
- Participating in liturgy forms our habits because we are ritual people and learn through repetition and copying.
- In liturgy we discover the riches of prayer, through word and gesture, silence and stillness.
- The purpose of adapting liturgy for children is to lead them into full, conscious and active participation in the liturgy of the parish.
- Liturgy with children, as with adults, demands dignity, clarity and simplicity.

Prayer

God calls every human person into a loving relationship. This relationship, as with all others, grows through communication. Prayer is the way in which we engage in communication with God. Christians believe that prayer is essential to human fulfilment for it is only in God that we can discover ourselves, our meaning and our purpose.

Prayer consists of:

- Listening: being attentive to the voice of God in every moment of life.
- Speaking: expressing our thoughts and feelings.
- Reflecting: thinking about our relationship with God.

God's actions in history and in the unfolding mystery of our lives.

Resting: simply being consciously in the presence of God, knowing that we are loved.

Prayer can have a variety of forms and express different things.

- Blessing and Adoration: blesses God for the goodness which has been shown to humankind.
- Petition: asks for forgiveness and calls for the establishment of the kingdom of God.
- Intercession: consists in asking on behalf of another.
- Thanksgiving: acknowledging the gifts which God has given.
- Praise: the prayer which praises God simply because God is. (Catechism of the Catholic Church)

Prayer may be an individual experience, or if it is an activity with others, may form part of an act of worship.

Through the Come and See programme children at St. Cuthbert's and St. Sebastian's are introduced to a variety of forms and styles of prayer in a developmental way.

During Collective Worship they are given opportunity to use a variety of styles and forms of prayer. From the initial school years children at St. Cuthbert's and St. Sebastian's are introduced to repetitive prayers, gestures, hymns, music, traditional prayers (suited to the age of the children) litanies, and processions in the classroom, whole school and Church setting.

Collective Worship Policy

Introduction

This Collective Worship Policy was recommended by the Archdiocese and was agreed to be implemented in St. Cuthbert's and St. Sebastian's by The Governing Body, Head teacher, and all teaching staff in March 2022.

Statement of intent:

Collective Worship at St. Cuthbert's and St. Sebastian's provides opportunities for all staff and children to come together to worship God. Whilst respecting diversity of belief and commitment, it will be Catholic in character, reflecting the liturgical tradition of the Church and having Christ at its heart. It will take into account the religious and educational needs of all who share in it:

- Those who form part of the worshipping community in Church
- Those for whom school may be their first and only experience of Church
- Those from other Christian traditions
- Those from other faith backgrounds.

It will be an educational activity or experience.

- To which all can contribute
- From which all can gain.

Aims

Through our worshipping together we aim to:

- Enable and encourage a sense of belonging to a community with a common ethos and shared values

St. Cuthbert's 'In love with Christ. Be the best I can. Be kind to one another.'

St. Sebastian's 'Only my best will do. Be kind to one another.'

- Respond to and celebrate life by taking time out to 'wonder at', mark as special
- Contemplate something of the mystery of God
- Enrich the religious experience of all members of the school community
- Reflect on spiritual and moral issues
- Build a firm foundation for liturgy.

Ten:Ten Collective Worship Programme

Ten:Ten
Resources

In our Federation, we follow the Catholic Resource Ten:Ten for Collective Worship.

The vision of Ten: Ten Resources is to help school communities grow in faith, love, understanding and compassion. We do this by creating a wide-range of unique media-rich resources, inspired by our Catholic faith.

The 5 Strands of Collective Worship

Weekly Assemblies – rooted in the Sunday Mass readings, each assembly includes an easy-to-follow teacher script with differentiated guidance alongside original, creative content such as film, story, song and animation, always leading to prayer and reflection.

Daily Classroom Prayer – five daily prayers (Monday to Friday) to be led in the classroom by staff or child prayer leaders, rooted in the Sunday Mass readings.

Links to Home – a one-page monthly newsletter for parents which shares articles inspired by the assemblies.

Staffroom Prayers – resources to support all staff within the school community including, for example, staffroom prayers, input on vocation, support for non-Catholic teachers and inset training on how to use Ten Ten Resources.

Other Resources – including teacher training materials, guided meditation, liturgies, resources for special occasions, etc

Who?

- The governing body and RE Governor (Ms Anne Casey & Mrs Denise Hegarty) are responsible for ensuring that the school has a current Collective Worship policy
- The Headteacher is responsible for ensuring that Collective worship is provided for each child each day
- Class teachers are responsible for planning and enabling Collective Worship to take place daily
- Children will have the opportunity to take an active part in daily Collective Worship.

Where?

Collective worship can take place:

- Within the classroom
- In the school hall
- In the open (courtyard / garden)

“As a rule all acts of Collective Worship should take place on the school premises. However, the governing bodies of grant maintained, aided and special agreement schools have discretion to organise Collective Worship elsewhere on special occasions.” (Education Reform Act 1988)

When?

It is a legal requirement that every child must have an opportunity to take part in Collective Worship every day.

To ensure that Collective Worship is a meaningful and prayerful opportunity for all participants it needs to occur at the most appropriate time for the class/ key stage / school. Class teachers are encouraged to look at their weekly curriculum and place Collective Worship at a time which enables the children to have a quality experience.

How?

Leader: it can be led by:

- Headteacher / Deputy Head Teacher / Assistant Head Teachers / RE Coordinator / Father Liam
- Class teacher

- Set an appropriate atmosphere with a sense of order and occasion, including entry and exit (use of music / lighting).
- Provide a focus using artefacts, candles, symbols etc.
