Gospel Value of the Week

Self Control

"For God gave us a spirit not of fear but of power and love and self-control."

2 Timothy 1:7

Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Let us celebrate ...

- ✓ Congratulations to our children who made their First Holy Communion last weekend, the service was beautiful and our children embraced the Sacrament with grace and respect. As a school community, we had a whole school celebration today allowing our children to lead us in prayer and reflection with the support of Fr Liam.
- ✓ LSSP ScootSkool has been a roaring success with Year 4 children, they are participating within the programme which is focused on teaching them how to ride safely whilst developing their basic balance and spatial awareness.
- ✓ LSSP Balanceability is a cycle programme which our Reception children are benefitting from. They are using balance bicycles to gain the confidence and skills required to ride a pedal bicycle independently. Our children are already growing into competent cyclists through the development of balance and control.
- ✓ Year 3, 4, 5 & 6 represented our school at the LDCSA athletics event, at Wavertree, on Wednesday. The talent on both track and field was tremendous. The amount of support from staff and family members certainly contributed to the 'buzz' of the stadium and gave an injection of confidence to the team.

General Elections

Thursday 4th July

St Cuthbert's has been selected to be used as a polling station for the General Election on Thursday 4th July. I have liaised with Liverpool City Council, the Archdiocese and the Governors and unfortunately, due to the potential safeguarding compromises identified, we have no choice other than to close school for the day. I sincerely apologise for the inconvenience that this may cause but the safety of our school community must always be a priority when making such decisions.

Meet the Teaching Team

Wednesday 3rd July

In line with the city-wide Year 6 transition day whereby our children will visit their prospective Secondary Schools, we too will be having our own transition afternoon.

Children from Reception – Year 5 will meet their new teaching team in readiness for September. They will familiarise themselves with their new classroom and be given the opportunity to ask any questions they so wish, ensuring a smooth and supportive transition for them all.
