### Water & Healthy Snack

Please ensure that your child brings a labelled water bottle to school and that it contains water only – Drinking water improves memory and attention which in turn supports children in performing and feeling their best.

Children in Early Years, Year 1 & Year 2 have fruit provided for them daily. Children in Year 3-6 are invited to bring a healthy snack with them to school. All classes will integrate snack time into their morning routine – A morning snack enables children to stay focused and on task whilst keeping hunger at bay until lunchtime.
