Gospel Value of the Week *Thankfulness*

"I give thanks to you, O Lord my God, with my whole heart, and I will glorify your name forever." Psalm 86:12

Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Queen of Greens

Queen of Greens are visiting school each Thursday morning at 8.30am-9am. The van is always parked on the school car park ensuring easy and safe access. There is a wide range of high quality, fresh and affordable fruit and vegetables available for you to purchase. Please extend the invite to your families, friends and neighbours.

Food has the power to bring joy, build connections and protect us from ill health.

Let us celebrate ...

- ✓ Year 5's visit to the Metropolitan Cathedral was a magical experience for our children and staff. They were immersed within its history, toured the chapels and took time to pray and reflect together. Their tour guide was a true inspiration – a fountain of knowledge.
- ✓ Our School Councillors were fabulous ambassadors for our school when hosting a meeting with Helen from Rota Kids. They were exploring possible fundraising opportunities that we could facilitate as a school community and the charities that we would hope to support.
- ✓ Our governors continue to give up their time in order to support our subject leads in monitoring our curriculum offer. This week, our governors Mr Devine (DT) and Mrs Hegarty (RE) celebrated their subjects. They were highly complementary of the passion of the subject leads and the manner in which our children are able to articulate their learning journeys.
- ✓ Mary's Meals visited Year 2 sharing how the charity support children around the world, in the poorest communities, where hunger and poverty prevent children from gaining an education. Our children carefully considered what they could do to support in feeding the hungry.
