### Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

## Let us celebrate ...

- ✓ Our first Read with Me sessions, of the school year, were so well attended by our Early Years parents and carers. Thank you for your support in providing opportunities for our children to be immersed within Reading for Pleasure. Reading has astonishing benefits for children: comfort, reassurance, confidence, security, relaxation & fun. Giving a child time and full attention when reading them a story tells them they matter. The most priceless gift that we can give to our children is our time.
- ✓ Congratulations to our Cross-Country team who confidently competed in the first race of the season at Croxteth Park. Not only did we have wonderful individual performances but collectively, as a team, they were highly impressive. A special mention to Ashworth Y3, Poppy Y3 and Oscar Y4 who stepped up and competed successfully against a field consisting predominantly of Year 5 & Year 6 children - what talented children we have.
- ✓ Overjoyed is the adjective that I would use to describe Miss Susana as she has welcomed our youngest children to our school this week. Our 2-Year-Old children have immersed themselves in school life like ducks to water. They have embraced routine, made friends, displayed confidence and resilience and most importantly had so much fun – what a positive start.

### Flu Vaccinations 14.10.25

Your child is due their immunisation this term. Flu can be a very unpleasant illness and can cause serious complications. Vaccinating your child helps protect them and reduces the spread of flu to more vulnerable family members, friends, and the wider community.

Please make it a priority to complete the consent form via this link:

Paper copies are available, in the school office, if needed.
