Gospel Value of the Week

Peace

"Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." John 14:27

Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Attendance

Our whole school attendance target is **97%**. We monitor attendance daily and are working together as a whole school community to ensure that we are aiming for our children to attend school 100% of the time. *In school every day – on time.*
Attendance matters because our children matter to us.

Class	Weekly	Year to date

Let us celebrate ...

- ✓ Congratulations to our athletes who represented our school in Cross Country, at Stanley Park this week. It is a particularly challenging course but was embraced by our determined, talented and focused team. I was so proud of the way in which our children supported and encouraged one another to be the best that they could be.
- ✓ A massive thank you to Jess our Choral Director for the Schools' Singing Programme. She literally brings our school to life with music when she visits each week. Our children are immersed within song, accompanied by the piano, celebrating and rejoicing harmoniously. They are a vision to behold!
- ✓ Our U11 girls football team successfully made their debut, at Jeffery Humble, in the EFC Premier League Schools Tournament. The team were so impressive in the way in which they played; demonstrating consideration for fairness, ethics, respect, and a sense of fellowship with competitors. We couldn't have asked any more from the girls, they epitomised our ethos whole heartedly.

Liverpool Maths Party

Theme: **Liverpool and the Wider City Region**
17.10.25

We are delighted to be able to invite our parents and carers to St Cuthbert's Maths Breakfast. We will be celebrating the Liverpool Maths Party in partnership with the Liverpool Learning Partnership and other primary schools across the city. Our families are warmly invited to join your child's class at 9:00-9:30am to participate in Maths-based activities and lessons.

We look forward to welcoming you into school.

Parkrun

We are delighted with how enthusiastic our children are to partake within cross-country and represent our school. Children are selected on their ability to comfortably complete 1500m. To build up the confidence, stamina and strength for cross country, Parkrun would be a perfect starting point for our aspiring athletes.

Parkrun is a free, community event where children can walk, jog, run, volunteer or spectate. Junior Parkrun is 2k, dedicated to 4-14-year-olds and their families, every Sunday morning at The Mystery Park in Wavetree. It is a positive, welcoming and inclusive weekly event, there is no time limit and everyone is welcome to participate.

Information is available on the websites below regarding registration and how to get involved:

Let's empower our children to be active, together, outdoors.
