Gospel Value of the Week

Mission

Our Mission Statement: *As missionaries of our faith, our school community strives to embody the Christian values of St Cuthbert sharing in humility, spirituality, tolerance and kindness. Each individual is nurtured and celebrated within our inclusive and equitable setting; appreciating and embracing diversity within the world around them.*

Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Let us celebrate ...

- ✓ School Council completed their termly Safeguarding Walk identifying areas in and around school that they feel are safest and made valid recommendations for further improving aspects of safety. They shared clear and rational justifications for their views and opinions.; they are certainly empowered when sharing their pupil voice – a voice that is heard and responded to.
- ✓ Year 1 and Year 2 children represented school in the LSSP Matball competition with focus, determination and bucket loads of enthusiasm. They had a brilliant time and without a doubt Matball (a variation between netball and bench ball) put their hand-eye co-ordination, agility, teamwork and communication to the test.
- ✓ Year 3 & 4 supported Fr Liam in leading our New Year Service sharing their prayers and intentions for the new year. With gathered together reflecting on what brought us joy in the year that has passed; considered how we will be enriched in the year that is to come and how we have been blessed with a new beginning.

Inventry

From next week, attendance and punctuality will be monitored by our newly installed Pupil Management System - Inventry. It will record sign-ins, late arrivals and early departures automatically, enabling school to maintain accurate attendance and punctuality records and comply with safeguarding.

For children who are accompanied by an adult on their journey to school, the responsibility to record them into the system, if they arrive at school after the close of registration, will continue to be the parent / carers responsibility.

[Learning starts at 8.45am – Registration closes at 8.50am](#)
