Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Let us celebrate ...

- ✓ Our Cross-Country Teams competed impressively in the Championships this week. Their exceptional individual and team performances were reflected in the personal bests that were accumulated across the board – we have so much talent to celebrate!
- ✓ Y4 enjoyed an inspirational and educational live music experience 'Citizens of Earth' performed by the Royal Liverpool Philharmonic Orchestra in one of the UK's most favoured concert venues – Liverpool Philharmonic. The concert was cross-curricular, interactive and encouraged a lifelong love and appreciation of music. Our children loved it!
- ✓ As a whole school community, we celebrated St Cuthbert's Feast Day on Thursday. Fr Liam together with Year 5 led us through our service beautifully. It was a special day with opportunities to reflect on our saint and how we embody St Cuthbert's Christian values sharing in humility, spirituality, tolerance and kindness.
- ✓ Year 3 have started their Young Marketeers journey. They have been learning about local and environmental impacts of food, they planted their own vegetables with the view to engage in food marketing and had their sights set on the end of year goal – to sell their harvests at a community market. I look forward to seeing how they nurture their crops...
- ✓ The British Gymnastics Championships at the M&S Bank Arena was a fabulous sporting event that our children thoroughly enjoyed. They observed the grace of gymnasts on the floor and beam, alongside the power of vault, pommel and bars. With everything at stake and titles on the line, they fully appreciated and supported the top-level gymnasts competing - both those at the peak of their career, and also the stars of the future. What an experience!
