Gospel Value of the Week

Comfort

'Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; who comforts us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God.' Corinthians 1:3-4

Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Attendance

Our whole school attendance target is **97%**. We monitor attendance daily and are working together as a whole school community to ensure that we are aiming for our children to attend school 100% of the time. *In school every day – on time.*

Attendance matters because our children matter to us.

Class	Weekly	Year to date
Reception	96%	94%
Year 1	90.3%	95.8%
Year 2	96%	94.5%
Year 3	95.7%	95.9%

Let us celebrate...

- ✓ Thank you to all of our families who were able to join us for our Big Walk to School on Tuesday. It was wonderful to celebrate Walk to School Week and the many benefits that come from moving more!
- ✓ Our children have been eager to walk, scoot, cycle and park & stride to school this week, racking up stickers on their Living Streets: **Mission Move!** Walking Challenge. All children have been rewarded for their efforts to improve their physical and mental health with a certificate. Congratulations to Year 6 who have had the highest number of children walking to school this week!
- ✓ National Numeracy Day – Count on Your Community - provided opportunities for our children to engage within everyday maths with a specific focus on boosting number confidence and numeracy skills. Our children have focused on managing a budget, analysed real-world data and have been fully immersed within financial decision. We are empowering our children to be financially stable adults.
- ✓ Cookson First Aid are highly committed to giving back to the community. This week, they facilitated an engaging and age-appropriate CPR Awareness Assembly for all children within Year 3 & 4 and a practical CPR & defibrillator training session for both Year 5 & 6. Our children developed critical skills that will equip them in dealing with medical emergencies; we have enabled our children to be confident lifesavers.
