### Gospel Value of the Week

#### Love

*'Let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love.'*

1 John 4:7

### Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

## Let us celebrate...

The Holy Communion Service on Saturday was absolutely beautiful. It was an honour to witness our children, in St Oswald's Church, as they accepted the gift of the Eucharist for the first time. Each child was blessed to have the support from family and friends who were proud to celebrate the next step in their faith journey with them.

Dedicated staff, supportive families and talented children made for a fabulous afternoon of competitive athletics on Monday. Wavertree athletics track was alive with excitement. Our children were competing against a number of large schools however, when our scores (as a small school) were disaggregated, both our girls & boys teams placed 2<sup>nd</sup>. An exceptional achievement and well deserved!

Reception's Stay & Pray was a beautiful sharing of prayer and reflection. The children embraced the Gospel Value of Love, sharing what love means to them whilst praising and giving thanks to our Lord Jesus Christ. Prayer is a powerful source for good.

Our Year 1 children have successfully completed their Phonics Screening this week. Miss Funnell has been delighted with how settled, positive and confident they have all been. They have lived up to the high expectations that we had for them - We are so proud of the progress that they have made.

Congratulations to Year 4 who have completed their Multiplication Tables Check. Mr Brophy has been highly impressed with their ability to fluently recall their times tables up to 12 – an essential skill for their future success. The time put into learning their times tables (at home & in school) has certainly paid off.
