Gospel Value Awards

At Cuthbert's, we focus each week on a Gospel Value which are fundamental values for our school and guide us in our Christian lives. These Gospel Values are based on what Jesus said, did and told us to do. They are at the root of Catholic social teaching and so, are at the heart of our school and everything we do. These values are shared with our children through Collective Worship and are reinforced through our teaching. By demonstrating and recognising these values in our daily lives, we can fulfil our school mission statement, 'as missionaries of our faith.'

Attendance

Our whole school attendance target is **97%**. We monitor attendance daily and are working together as a whole school community to ensure that we are aiming for our children to attend school 100% of the time. *In school every day – on time.*

Attendance matters because our children matter to us.

Class	Weekly	Year to date

Let us celebrate...

This week schools across the country have celebrated National Thank a Teacher Day. A day to show our appreciation to our teachers and staff who work so hard to educate and nurture our children. Our staff are celebrated for their passion, commitment and kindness. They make such a positive imprint on the lives of our children who, in turn absolutely adore them. Our children believe that anything is possible because we believe in them!

Congratulations to our children who competed in the Liverpool Primary Schools Athletics Competition, at Wavertree, on Wednesday afternoon. St Cuthbert's were 2nd overall for the boys and 3rd for the girls! Our athletes were impressive on both the track and field with exceptional team and individual performances. Our children were fantastic competitors and rose to the occasion whilst being passionately supported by staff, parents, carers and family members. It was an absolute joy to be part of – can't wait for the Champions of Champions!

Our Education Improvement Partner visited school this week, one area of focus was handwriting. She was highly complimentary about handwriting progression from our 2YO children through to Year 6. She celebrated how handwriting is taught explicitly, is consistent and engaging in approach. The fluency of transcriptional skills of our children are certainly improving.
